# KONTOUR™ SERIES MONITOR MOUNTS

## STYLE WITH **STRENGTH** & FLEXIBILITY

Whether in the office, in healthcare facilities or at home, Kontour™ desk and wall monitor arms create a more productive and comfortable workspace. Elegantly designed with a forged aluminum body for added strength, Kontour mounts provide maximum ergonomic benefits while providing key features and a stylish design.

*K1 series*

Feature-Rich Desk & Wall Mounts

### Ultimate Flexibility

Dynamic height adjustment using gas spring technology for maximum ergonomic benefits.

### Heavy Duty Design

Sleek, solidly constructed forged aluminum arms. Available with single or dual monitor options in black or silver.

### Centris® Extreme Tilt

Provides maximum screen positioning with -10° to +75° of tilt.

### Fast Installation

Simple 3-step installation and integrated VESA® 100 x 100 mm quick-release interface. Multiple installation options available.

K1D100

### Cable Management

Tool-free, hinged cable management covers snap easily around cables for a clean, professional look.

### Effortless Positioning

Arms swivel and extend providing a wide range of motion for perfect monitor placement, plus portrait to landscape rotation.

# K2 series

## Innovative Desk & Wall Mounts

- Heavy Duty Design**  
 Forged aluminum arms for strength. Available in black and silver, single or dual monitor options.
- Fast Installation**  
 Simple 3-step installation with tear-drop VESA® 100 x 100 mm hole pattern for easy mounting and maintenance.
- Centris™ Turn-Tite Tilt**  
 Provides effortless tilt and swivel, locks into place with Centris dial.
- Height Adjustment**  
 Mounting arm slides vertically along column for ideal positioning. Locks in place with a simple turn of the adjustment lever.
- Cable Management**  
 Tool-free cable management loops route cables for a clean, professional look.
- Effortless Extension**  
 Arms swivel and extend providing a wide range of motion for perfect monitor placement.
